

IT IS YOUR RIGHT TO KNOW!

The Manitoba Pharmaceutical Association requires your Pharmacist to discuss with you, in an atmosphere of **confidentiality** and **privacy**, the following information about your prescription medication:

- 1** The drug name
- 2** What the drug does
- 3** How and at what time the drug should be taken
- 4** Importance of taking the drug as directed, regularly or when needed
- 5** What to do if dose is missed
- 6** Common side effects
- 7** Food, drink, other drugs or activities to avoid
- 8** Special Storage Requirements
- 9** Refill Information
