DSELG notified
Invitations for Interested Party (IP) applications posted

45 days pre-meeting
Deadline for IP status applications

NDSAC Chairman and Secretary assess validity of IP status and make a decision

IP status denied

IP status granted

List of IPs circulated
All information filed by IP is sent to other IPs
An IP can also request information of a submission applicant

Applicant refuses to provide document claiming that information requested is:

1. not relevant
2. not available (alternative information must be provided)
3. confidential

NDSAC assesses validity of reasons and:

1. demands that information be provided to IP as requested, or
2. demands that alternative information be provided
3. evaluates confidentiality of documents &/or submits information to a commissioner of oaths for evaluation then demands that information be provided or not, depending on outcome of study

Applicant provides information requested within 10 days of request

Applicant refuses to provide copy of document

Document refused as evidence in the review or reassessment hearing
